Special Situations. Everyday

We have two ranges of residential mortgages:

Special Situations

for borrowers with specific requirements such as the self-employed with just one years' accounts, or contractors and professionals wanting higher LTV loans, or borrowers wanting to build or renovate a home of their own.

Everyday

for borrowers facing everyday situations such as buying a first home, moving to another home or remortgaging.

If one of our existing mortgages doesn't quite fit because your client requires features from several of our products, then we may be able to tailor a mortgage to suit their precise needs.
